Becoming a Friend

If you are new to our congregation and wish to become more connected, but don't feel ready for Membership, becoming a Friend is an option for you. When you become a Friend, your name and contact information may be published in the church directory, and you receive a copy of the directory for your own use. You may receive the monthly "Quest" newsletter, as well as weekly eNews announcements via email, and any other church mailings. You are welcome and encouraged to participate in the church's spiritual and social activities, and its work in the wider community. You are welcome to take part in volunteer activities in support of the church, such as serving on committees.

To become a friend, fill in the form (over) and leave at the welcome table or place in the Membership mailbox in the office. Another option is to fill in the online Friend Registration at calgaryunitarians.ca
