ARE YOU WONDERING HOW MUCH TO PLEDGE?

Members often choose to pledge between 2% and 10% or more of their disposable income, depending on the value they attach to their membership in Calgary Unitarians. You may find it helpful to ask yourself the following questions related to your own level of commitment:

Level 1: Does your involvement in Calgary Unitarians promote your spiritual growth and/or that of your children?

Level 2: Are you committed to sustaining the programs and ministries of Calgary Unitarians?

Level 3: Are you committed to both the present and future growth of Calgary Unitarians?

Level 4: Do you consider your donation a way of living out your spiritual principles?

Any donation is appreciated, and keep in mind that **tax credits will reduce your cost significantly**: for example, a donation of \$80 a month (\$960 for the year) will earn a \$431 tax credit in Alberta.
