Lyrics

#1020 Woyaya

We are going, heaven knows where we are going, but we know within.
And we will get there, heaven knows how we will get there,
but we know we will.

It will be hard, we know, and the road will be muddy and rough,
but we'll get there, heaven knows how we will get there,
but we know we will.

Woyaya, Woyaya, Woyaya, Woyaya,

We are going, heaven knows where we are going, but we know within.

Walk the Road Together (Kate Rusby)

Think not of casting off your dreams
When the road goes on forever
All is not just as it seems
And we'll walk the road together

Chorus:

All the way through wind and rain
I'll never deceive my heart again
Hand in hand, across the land
We'll walk the road together

Think not of failing. Carry on
And the road goes on forever
Let all the tears and strife be gone
And we'll walk the road together

[Chorus]

Think not of stopping in the strife
When the road goes on forever
Let joy and happiness be rife
And we'll walk the road together

[Chorus]

Think not of hills and mountains high
When the road goes on forever
We'll lift our hearts up to the sky
As we walk the road together

[Chorus x 2 to end]
